IMPORTANT INFORMATION

IF A STUDENT IS IN IMMEDIATE DANGER OR IN A LIFE-THREATENING SITUATION, CONTACT THE QUEENSLAND POLICE SERVICE IMMEDIATELY BY DIALLING 000.

Nothing that is written in these processes below should prevent a staff member or any other person from taking immediate action to notify police, particularly if he/she believes that it is essential to act to ensure a student's safety.

If a staff member has reported a concern according to these processes but does not feel sure that the appropriate action is being taken to ensure a student is safe from harm he/she should contact the Assistant Director: Schools or Student Protection Coordinator within Catholic Education, Diocese of Rockhampton and/or the police directly.

Incidents that initially appear to warrant one type of intervention may turn out to be more serious or complex than first thought. If this occurs the intervention process must be halted and steps taken immediately to escalate the matter to the appropriate level.

Effective Date

These processes are effective from 11 January 2021.

1. Our Responsibilities

Catholic Education (Diocese of Rockhampton) is committed to creating and maintaining safe environments for students. A critical area of importance is how to respond to, and report abuse, harm and the behaviour of a staff member that a student considers is inappropriate. This document sets out the responsibilities for staff members in schools where they have a concern for the protection of a student, including addressing processes required by law:

- processes for how Catholic Education (Diocese of Rockhampton) will respond to harm, or allegations of harm, to students;
- a process for the reporting by a student to a stated staff member of behaviour of another staff member that the student considers is inappropriate;
- a process for how the information reported to the stated staff member must be dealt with by the stated staff member;
- a process for reporting sexual abuse or suspected sexual abuse in compliance with the Education (General Provisions) Act 2006, section 366; and a suspicion of likely sexual abuse in compliance with the Education (General Provisions) Act 2006, section 366A; and
- a process for reporting a reportable suspicion under the Child Protection Act 1999, section 13E.

These processes apply to all staff members employed by Catholic Education (Diocese of Rockhampton).

2. Reporting Processes

This section of the processes sets out a summary of the actions that must be taken if a staff member has concerns or suspicions, or makes allegations about [abuse](#) of, or [harm](#) to, a student or if there is a report of behaviour by a staff member that a student considers is [inappropriate](#). Further detail around these key child protection concepts are contained within the Student Protection Guidelines.

IMPORTANT INFORMATION

IF A STUDENT IS IN IMMEDIATE DANGER OR IN A LIFE - THREATENING SITUATION, CONTACT THE QUEENSLAND POLICE SERVICE IMMEDIATELY BY DIALLING 000.

Nothing that is written below should prevent a student from reporting any matter of concern to his/her parent(s), to any staff member at a school, or to the police.

If a student has reported a concern according to these processes but the student or their parent or another person does not think that the appropriate action under these processes has been taken he/she should consult the Catholic Education Right Relationships – Parent and Student *Grievance Policy*.

Should a student wish to report abuse/neglect or an unacceptable risk of abuse/neglect to himself/herself or to any other student, he/she may report this to the Principal or other Student Protection Contact at the school.

Should a student consider that the behaviour of a staff member towards him/her or towards another student is or has been inappropriate, he/she may report this to the Principal or other Student Protection Contact at the school. A student may make the report orally, in writing, or through any other means of communication.

A student’s parent or carer may make the report to the Principal or other Student Protection Contact on behalf of the student.

Whether or not the staff member receiving the report is a Principal or Student Protection Contact, on receiving such a report from or on behalf of a student, the staff member must respond in accordance with the requirements set down in this document.

In general terms the process for responding to and reporting student protection concerns is as follows:

Identify	Identify student protection concerns through recognising the signs of abuse and harm, and through disclosures or receipt of information;
Confer	Seek guidance and support – if necessary, confer with the Principal or appropriate colleagues, or use resources such as the Child Protection Guide to establish whether a ‘reasonable suspicion’ has been formed;
Report	Where a reasonable suspicion of abuse , harm or inappropriate behaviour is formed – report the concerns according to the specific processes outlined in this document;
Support	Remain focussed on the support needs of the student and liaise with the Principal around any planning or actions that are required.

2.1 Conferral with colleagues and accessing support

Engaging in appropriate consultation processes is an important element of responding to concerns around the safety and well-being of students, in order that any decision making process is fully informed.

Staff members may confer with colleagues, for example the Principal or Student Protection Contacts, in order to establish whether the information to hand may constitute a reasonable suspicion of abuse, harm or inappropriate behaviour. This process is encouraged as a means of ensuring the best possible response to a student concern.

Confidentiality is an important element of conferral processes, where information sharing should be limited to appropriate persons and to the extent necessary to respond to the safety and well-being of a student and to give effect to the processes outlined in this document. The Student Protection Guidelines contain further detail around [confidentiality and information sharing](#).

Again, the purpose of the conferral process is to assist a staff member in determining whether there is a reasonable suspicion of abuse, harm or inappropriate behaviour. A Principal, for example, may have additional information about a student or their family, not known by the staff member that:

- Provides greater context to the concerns identified by the staff member
- Changes the seriousness of the concerns, particularly as to whether harm to a student is “significant”
- Provides greater clarity around whether there is a parent able and willing to protect the student.

In addition to conferring with colleagues, a number of practical tools and resources exist to support staff members in their decision making, including the [Queensland Child Protection Guide](#) – an online decision support guide that has been developed to assist professionals to appropriately report or refer families to Department of Child Safety, Youth and Women (Child Safety) or other service providers in a timely manner. The Queensland College of Teachers offers a range of professional standards resources that may assist in understanding and responding to inappropriate behaviour by a staff member.

Staff members can also access the Student Protection Staff at the Catholic Education Office for advice.

2.2 Requirement to report sexual abuse or likely sexual abuse to the Queensland Police Service

In accordance with sections 366 and 366A of the *Education (General Provisions) Act 2006*, if a [staff member](#) becomes aware or reasonably suspects in the course of the staff member's employment at the school that a student has been [sexually abused](#) or is [likely to be sexually abused](#) by another person, the staff member must immediately provide a written report using the **Student Protection Reporting Form** to the Principal or the Diocesan Director of Catholic Education (Diocese of Rockhampton.) The Principal or the Diocesan Director of Catholic Education (Diocese of Rockhampton) is required by law to immediately forward a copy of the **Student Protection Reporting Form** to the Queensland Police Service. See [Flowchart 1](#).

Where the first person is the Principal of the School, the Principal must immediately make a written report of the concerns directly to the Queensland Police Service and the Diocesan Director of Catholic Education (Diocese of Rockhampton) using **Student Protection Reporting Form** See [Flowchart 2](#).

Where the reasonable suspicion of [sexual abuse](#) or [likely sexual abuse](#) is against the **Principal**, the **Student Protection Reporting Form** must be submitted by the first person to the Diocesan Director of Catholic Education (Diocese of Rockhampton), who must immediately forward a copy of the completed **Student Protection Reporting Form** to the Queensland Police Service.

The Principal or Director of the Governing Body must, as a matter of urgency, advise the first person that the report has been forwarded to Police. This advice should be in writing where possible.

NOTE: If a reasonable suspicion of sexual abuse or likely sexual abuse is formed a report to the Queensland Police Service is to be made even if there is a [parent able and willing](#) to protect the child from harm.

Whilst the legislation relating to the mandatory reporting of sexual abuse and likely sexual abuse as outlined above relates only to students under 18 years of age, these processes extend the meaning to include students who are 18 years of age or above.

In addition, whilst the legislation limits the mandatory reporting of sexual abuse or likely sexual abuse of a student to reasonable suspicions formed in the course of the staff member's employment at the school, it is the policy of Catholic Education (Diocese of Rockhampton) that all reasonable suspicions of sexual abuse or likely sexual abuse of students, regardless of when they are formed, are reported to Queensland Police in accordance with these processes.

2.3 Reporting significant harm or risk of significant harm to a student where there may not be a parent able and willing to protect the student from harm

Mandatory reporting responsibilities for approved teachers

Approved teachers have a **mandatory reporting** obligation under section 13E of the *Child Protection Act 1999* to make a report to the Department of Child Safety, Youth and Women when a teacher forms a 'reportable suspicion' about a child.

A reportable suspicion is a [reasonable suspicion](#):

- that a child has suffered, is suffering, or is at an [unacceptable risk](#) of suffering, [significant harm](#) caused by [physical abuse](#) or [sexual abuse](#); and
- there may not be a [parent able and willing to protect](#) the child from the harm.

A teacher fulfils this mandatory reporting obligation by:

- Making a written report using the **Student Protection Reporting Form** to their Principal of the reportable suspicion (or if the allegation is against the Principal to the Diocesan Director of Catholic Education (Diocese of Rockhampton) and as a matter of urgency receiving written confirmation from the Principal or the Diocesan Director of Catholic Education (Diocese of Rockhampton) of the date and time that the report was submitted to the Department of Child Safety, Youth and Women; or
- Making a report directly to the Department of Child Safety, Youth and Women via the [online reporting form](#).

When the Principal or the Diocesan Director of Catholic Education (Diocese of Rockhampton) receives a report, where a teacher has formed a 'reportable suspicion', they **must**, as a matter of urgency, forward the report to the Department of Child Safety, Youth and Women.

Where a Principal themselves forms a 'reportable suspicion', they must make a report directly to the Department of Child Safety, Youth and Women.

Teachers are encouraged to make mandatory reports to the Department of Child Safety, Youth and Women through their Principal (as described above). However, if a teacher forms a 'reportable suspicion' about a student, the teacher **must** satisfy themselves, as a matter of urgency, that the Principal has provided a report to the Department of Child Safety, Youth and Women.

If the teacher does not reasonably suppose that the Principal has provided the report to the Department of Child Safety, Youth and Women, the teacher **must, as a matter of urgency**, make the report directly to the Department of Child Safety, Youth and Women. Teachers are encouraged to confer with Catholic Education (Diocese of Rockhampton) Student Protection Staff for support in making the mandatory report themselves.

Again, the *Child Protection Act 1999* limits the mandatory reporting of reportable suspicions to those formed in the course of the teacher's engagement at the school. However, it is the policy of Catholic Education (Diocese of Rockhampton) that all reasonable suspicions that student has suffered, is suffering or is at unacceptable risk of suffering significant harm and may not have a parent able and willing to protect them from the harm, regardless of when they are formed, are reported to the Department of Child Safety, Youth and Women in accordance with these processes.

Version Number:	9	Author:	Diocesan Director	Approval Date:	14 December 2020
Date Modified:	NA	Document Owner:	CE (DOR)	Page:	11

Where a [staff member](#) reasonably suspects a student has suffered, is suffering or is at [unacceptable risk](#) of suffering [significant harm](#), due to [sexual, physical, emotional/psychological abuse](#) or [neglect](#) and may not have a [parent able and willing](#) to protect the student from the harm, then the staff member must make a written report of the concerns to the Principal using the **Student Protection Reporting Form** who in turn must immediately forward the **Student Protection Reporting Form** to the Department of Child Safety, Youth and Women - Regional Intake Service. See [Flowchart 3](#).

Where the allegation is against the **Principal**, the staff member must submit the **Student Protection Reporting Form** to the relevant Assistant Director: Schools (except where Mandatory Reporting under the *EGPA* applies) who in turn must immediately forward the **Student Protection Reporting Form** to the Department of Child Safety, Youth and Women - Regional Intake Service.

The Principal or Director of the Governing Body or delegate must, as a matter of urgency, advise the staff member that the report has been forwarded to the Department of Child Safety, Youth and Women. This advice should be in writing where possible.

Where a Principal themselves reasonably suspects a student has suffered, is suffering or is at unacceptable risk of suffering significant harm, due to sexual, physical, emotional/psychological abuse or neglect and may not have a parent able and willing to protect the student from the harm, they must make a report directly to the Department of Child Safety, Youth and Women.

Copies of all student protection reports are submitted to the Rockhampton Catholic Education Office.

2.4 Requirement to Report a Child Sexual Offence

In addition to the requirement to report sexual abuse or likely sexual abuse, section 229BC of the *Criminal Code Act 1899* mandates the reporting to the Queensland Police Service of information relating to a child sexual offence. This is a general requirement applying to all adults (18 years or over) when information causes, or ought reasonably to cause, the adult to believe that a child sexual offence is being or has been committed against a child by another adult (for more details see Legislative References).

A report does not have to be made under the *Criminal Code Act 1899* if a report has already been made under the *Education (General Provisions) Act 2006* (reporting sexual abuse or likely sexual abuse) or the *Child Protection Act 1999* (reporting significant harm or risk of significant harm). Therefore, a report will only need to be made under the *Criminal Code Act 1899* if a matter that would constitute a child sexual offence by an adult has not already been reported under the above two acts.

IMPORTANT NOTE: Failure to protect from a child sexual offence

In addition to the requirement to report a child sexual offence, under section 229BB of the *Criminal Code Act 1899* it is a criminal offence for an adult to fail to protect a child from a child sexual offence.

A failure to protect offence will be committed if an adult in a school:

- a) knows there is a significant risk that another adult associated with the school will commit a child sexual offence against a child; and
- b) they have the power or responsibility to reduce or remove the risk; and
- c) they wilfully or negligently fail to reduce or remove the risk.

Version Number:	9	Author:	Diocesan Director	Approval Date:	14 December 2020
Date Modified:	NA	Document Owner:	CE (DOR)	Page:	12

2.5 Responding to concerns that do not meet the threshold for reporting

A staff member may identify concerns regarding a student that ultimately do not form a reasonable suspicion of sexual abuse, likely sexual abuse or significant harm, however, indicate that without support or intervention a student and/or their family are at risk of entering the child protection system.

These concerns should be raised with the Principal, who may refer the student/and or their family to the appropriate service. This may include support options through the school, such as the School Counsellor, or to community based options such as Family and Child Connect.

The Student Protection Guidelines provide detail around the options that are available to [support students and families](#).

2.6 Responding to allegations against staff members, including the Principal, and volunteers

In accordance with section 16 (2) of the *Education (Accreditation of Non-State Schools) Regulation 2017* a school must have a process for the reporting of staff behaviour that a student considers to be [inappropriate](#).

Additionally, a school must have a process to respond to the reported staff inappropriate behaviour.

Therefore, if a staff member becomes aware of staff behaviour that a student considers to be inappropriate, the staff member must report this behaviour in accordance with the designated process without delay.

2.6.1 Allegations of sexual abuse or likely sexual abuse against a staff member or volunteer

A staff member may form a reasonable suspicion that a student has been sexually abused or is likely to be sexually abused by a staff member or volunteer.

In these circumstances, the reporting processes detailed in [section 2.2](#) must be followed.

ACTION TO BE TAKEN SUBSEQUENT TO A STUDENT PROTECTION REPORT CONCERNING THE CONDUCT OF A STAFF MEMBER, EMPLOYEE OR VOLUNTEER TO POLICE

After a matter relating to the behaviour of a staff member, employee or volunteer is reported to the Queensland Police Service there can be one of two outcomes. These can be summarised as follows:

- Conviction of a criminal offence; or
- No conviction. (Queensland Police Service may decide not to investigate, to discontinue an investigation or not to lay a charge following an investigation, a prosecution may not go ahead following a charge having been laid, or a matter may go to court but not result in a conviction).

In addition to the scenarios set out above, Catholic Education may become aware that a staff member, employee or volunteer has been under investigation or has been prosecuted for an offence against a student in circumstances where a student protection report has not been made by a Catholic Education staff member.

The procedure below will be followed for the scenarios set out above. Where the matter involves a volunteer or an employee who is not a staff member of Catholic Education, action will be taken, with the relevant employer if necessary, to deal with the matter in a manner that is consistent with the procedures outlined in this document as they apply to an employee of Catholic Education.

Version Number:	9	Author:	Diocesan Director	Approval Date:	14 December 2020
Date Modified:	NA	Document Owner:	CE (DOR)	Page:	13

Where the staff member, employee or volunteer concerned is a cleric or member of a religious order, or was a cleric or member of a religious order at the time of the alleged behaviour, the Director of Office of Professional Standards Qld (*Towards Healing*) will be informed as soon as possible. The Diocesan Director will also ensure that the relevant church authority is also informed without delay and this action documented.

CONVICTION

If a current staff member, employee or volunteer is convicted in a court of law for an offence against a student that is deemed to be an act of serious professional misconduct, then the Diocesan Director will proceed to dismiss the staff member, employee or volunteer.

The Diocesan Director (or delegate) will document the outcome of the court proceedings in the formal communication regarding the termination of the staff member's, employee's or volunteer's employment.

If the staff member, employee or volunteer who is convicted is a teacher, the Diocesan Director or delegate will inform the Queensland College of Teachers in writing of the conviction.

If the conviction is for a charge that is deemed to be less than serious misconduct but is contrary to the Catholic Education Code of Conduct, then the Diocesan Director will proceed to take disciplinary action against the staff member, employee or volunteer.

The pastoral care of student/s and staff involved will be monitored and support offered.

NO CONVICTION

The failure of a court to record a conviction against the staff member, employee or volunteer against whom a charge has been laid or a decision by the Queensland Police Service not to charge or prosecute, does not necessarily mean that the allegation was unwarranted and that the staff member, employee or volunteer has no case to answer as a staff member, employee or volunteer within a Catholic school. The fact that a staff member, employee or volunteer has been found 'not guilty' of an offence does not automatically mean that a matter has been closed.

The standard of proof required for disciplinary action within the employer -employee relationship is 'on the balance of probabilities', rather than the criminal standard of 'beyond reasonable doubt'. In addition, a serious breach of the Catholic Education Code of Conduct may not be a criminal offence. For this reason, the matter concerned must still be appropriately dealt with by Catholic Education as a disciplinary matter.

An investigation will be implemented by Catholic Education in the situation where the outcome of a mandatory Student Protection Report to the Queensland Police Service in relation to a staff member is finalised with no further investigation or action being taken on their part.

When Catholic Education becomes aware that a Queensland Police Service investigation or prosecution will not proceed, that a person has not been found guilty of an offence with which they have been charged or that a conviction has not been recorded, a risk assessment will be carried out by the Assistant Director: Schools and a recommendation will be made to the Diocesan Director in relation to the staff member's, employee's or volunteer's employment.

Documents on the public record as a result of court proceedings, and/or materials made available as a result of a Queensland Police Service investigation may be considered as part of any investigation conducted by or on behalf of Catholic Education.

Additionally, the following steps must be followed in accordance with Rockhampton Catholic Education's procedures.

2.6.1.1 ACTION TO BE TAKEN IF THE SUSPECTED ABUSE/SIGNIFICANT PHYSICAL HARM RELATES TO THE BEHAVIOUR OF A STAFF MEMBER, OTHER EMPLOYEE OR VOLUNTEER

ROLE OF CATHOLIC EDUCATION, DIOCESE OF ROCKHAMPTON STAFF

When a suspicion of abuse/significant physical harm of a student or an unacceptable risk of abuse/significant physical harm of a student relates to the behaviour of a staff member, other employee or volunteer, overall management will be provided by Assistant Director: Schools who will work in association with the Principal. It is important for the Assistant Director: Schools to establish communication with the Officer-in-Charge and/or the investigating officer within Queensland Police Service so that information may be shared as appropriate. This communication may be facilitated through the school Principal. Catholic Education's Student Protection Staff are also available to provide assistance and support to students and staff in managing what can be complex issues.

Following the provision of the Student Protection Report to Queensland Police Service, an investigation into the suspected abuse/harm should not be conducted by or on behalf of Catholic Education until confirmation is received from the Queensland Police Service about the status of their inquiries. However, the Diocesan Director (or delegate) will take immediate steps to ensure that a risk assessment is undertaken. As a result of the risk assessment, and following consultation with Queensland Police Service regarding the timing of any proposed stand down, the staff member, other employee or volunteer may be suspended from his/her duties, or have his/her duties restricted. If the employee is not a staff member of Catholic Education, the appropriate steps in this regard will be taken by the Diocesan Director (or delegate) in association with the person's employer.

After discussions with Queensland Police Service and upon their advice, the Diocesan Director or delegate will inform the parent(s) or carer(s) of the student/s involved, that a Student Protection Report has been made in relation to suspected abuse/harm of the student by a staff member, other employee or volunteer. Appropriate confidentiality of the matter will be discussed.

The Diocesan Director will keep a copy of the Student Protection Report in a confidential file. The Assistant Director: Schools or Principal will establish liaison with the Queensland Police Service to assist in the management of the issue.

Upon the commencement of any investigation by Catholic Education into an allegation of harm of a student by a registered teacher, the Diocesan Director (or delegate) will make a written notification to the Queensland College of Teachers.

If the Student Protection Report concerns the behaviour of a staff member, other employee or volunteer who is a cleric or member of a religious order, or who was a cleric or member of a religious order at the time of the alleged behaviour, the Diocesan Director (or delegate) will inform the Director of the Office of Professional Standards Qld (Towards Healing) as soon as possible. The Diocesan Director (or delegate), after discussion with Queensland Police Service and on their advice, will also ensure that the relevant church authority is also informed without delay.

NOTIFYING THE STAFF MEMBER, EMPLOYEE OR VOLUNTEER

The Diocesan Director (or delegate) will seek advice from the Queensland Police Service as to when the staff member, other employee or volunteer should be informed of the allegation. As soon as it is deemed appropriate to inform them, a meeting will be held between them and the Diocesan Director (or delegate). They will be advised that they can have a support person at this meeting. At the meeting, they will be informed that a suspicion of harm or abuse/unacceptable risk of abuse has been reported about them and whether this information has been reported to the Queensland Police Service. The requirement for them to observe confidentiality will also be advised.

They will also be given the details of a nominated person (normally the Assistant Director: Schools) to contact who will be available to provide information regarding the processes being undertaken and to facilitate the accessing of other support. The information communicated verbally at the meeting will also be provided in writing. They will be reminded that they may access the confidential counselling services available through the ACCESS program. If the employee is not a staff member of Catholic Education, the appropriate steps in this regard will be taken in association with that person's employer.

SUSPENDING FROM DUTIES

If as the result of a risk assessment it is decided that the staff member, other employee or volunteer should be suspended from his/her duties, or have their duties restricted, the Queensland Police Service should be consulted to ensure that the timing and circumstances of the person being informed of this does not unnecessarily interfere with Queensland Police Service inquiries. Decisions regarding suspension will be made with the rights of an employee being balanced with the best interests of the student, however, the welfare and best interests of any students involved will be paramount.

The staff member, employee or volunteer concerned will be informed of the decision to suspend him/her down or restrict his/her duties. The basis for this decision will be provided to the staff member, other employee or volunteer in writing following the meeting at which this information has been communicated verbally. He/she will also be given the details of a nominated person (normally the Assistant Director: Schools) to contact who will be available to provide information regarding the processes being undertaken and to facilitate the accessing of other support.

A staff member will normally continue on full pay during the suspension period unless disqualified or prevented from performing his/her duties by an external authority. The Diocesan Director (or delegate) will discuss with the person what statement, if any, will be made to staff and or the school community concerning his/her absence from school. The contents of any such statement may be limited by legislation.

If the employee is not a staff member of Catholic Education, the appropriate steps will be taken in association with that person's employer in this regard.

PASTORAL CARE AND SUPPORT

Pastoral care and support will be offered to the student and his/her family, to the staff member, employee or volunteer against whom the allegation has been made, and any others involved. The welfare and best interests of any students involved will be paramount and advice will be sought from Catholic Education's Student Protection Staff about appropriate support for the student and his/her family.

2.6.2 Allegations of sexual abuse or likely sexual abuse against a Principal

A staff member may form a reasonable suspicion that a student has been sexually abused or is likely to be sexually abused by the school Principal.

In these circumstances, the reporting processes detailed in [section 2.2](#) must be followed and the report from the staff member must be made to the Director of Catholic Education (Diocese of Rockhampton), not the Principal.

Additionally, the following steps must be followed in accordance with Rockhampton Catholic Education’s procedures.

Refer to processes detailed in section **2.6.1.1**

IMPORTANT NOTE: Sexual Activity between staff members and students

The involvement of any staff member or volunteer within a school in sexual activity with, or sexual exploitation of, a student attending that school is always to be regarded as sexual abuse.

2.6.3 Allegations of harm against a staff member or volunteer

A staff member may form a reasonable suspicion that a staff member or volunteer has harmed a student. In these circumstances, follow process detailed in the following;

When a suspicion of significant physical harm of a student relates to the behaviour of a staff member, other employee or volunteer but there is a parent able and willing to protect the student, this matter will not amount to a ‘reportable suspicion’ and therefore, a Student Protection Report to the Department of Child Safety, Youth and Women is not required.

However, if the student has experienced significant physical harm (for example, bruises and non-accidental injuries), as a result of the staff member’s, other employee’s or volunteer’s behaviour, the Principal must deal with this matter under **Section 2.6.5** of this document. The Principal must inform the parents that parents may notify the Queensland Police Service of the assault. The Principal must make a record of this discussion and keep it in a confidential file at the school. Depending upon the circumstances, the Diocesan Director (or delegate) may make a report to the Queensland Police Service.

2.6.4 Allegations of harm against a Principal

A staff member may form a reasonable suspicion that a Principal has harmed a student. In these circumstances, follow process detailed in the section below:

When a suspicion of significant physical harm of a student relates to the behaviour of a the Principal but there is a parent able and willing to protect the student, this matter will not amount to a ‘reportable suspicion’ and therefore, a Student Protection Report to the Department of Child Safety, Youth and Women is not required.

However, if the student has experienced significant physical harm (for example, bruises and non-accidental injuries), as a result of the Principal’s behaviour, the Assistant Director: Schools must deal with this matter under **Section 2.6.5** of this document. The Assistant Director: Schools must inform the parents that parents may notify the Queensland Police Service of the assault. The Assistant Director: Schools must make a record of this discussion and keep it in a confidential file at the Catholic Education Office. Depending upon the circumstances, the Diocesan Director (or delegate) may make a report to the Queensland Police Service.

2.6.5 Allegations of inappropriate behaviour against a staff member or volunteer

A staff member may form a reasonable suspicion that a staff member or volunteer has behaved inappropriately towards a student. In these circumstances, follow process detailed in the sections below:

REPORTING ALLEGED INAPPROPRIATE BEHAVIOUR OF A STAFF MEMBER TOWARDS A STUDENT

If a staff member reasonably suspects that another staff member has behaved inappropriately towards a student (not being sexual abuse or likely sexual abuse) including abusive action resulting in significant physical or emotional harm to a student, the staff member is compulsorily required by Catholic Education to report to the Principal, Assistant Director: Schools or another Student Protection Contact at the school without delay about the matter.

MANAGING A REPORT FROM A STUDENT/PARENT REGARDING ALLEGED INAPPROPRIATE BEHAVIOUR OF A STAFF MEMBER TOWARDS A STUDENT

If a student, parent or other person complains to a staff member about another staff member's behaviour towards a student that the student or parent considers inappropriate, the staff member must immediately report the matter to the Principal or Assistant Director: Schools or another Student Protection Contact at the school without delay.

SELF-REPORTING ALLEGED INAPPROPRIATE BEHAVIOUR TOWARDS A STUDENT

If a staff member becomes aware of an allegation against him/her in relation to his/her alleged inappropriate behaviour towards a student, he/she must report the matter to the Principal or Assistant Director: Schools without delay.

SUSPECTED INAPPROPRIATE BEHAVIOUR BY A STAFF MEMBER TOWARDS A STUDENT

Note: THIS INCLUDES ABUSE OR SIGNIFICANT PHYSICAL HARM BUT NOT SEXUAL ABUSE/LIKELY SEXUAL ABUSE

(SUSPECTED SEXUAL ABUSE/LIKELY SEXUAL ABUSE MUST ALWAYS BE MANAGED IN ACCORDANCE WITH THE PROCESSES SET OUT IN SECTION 2.2 OF THIS DOCUMENT.)

(A REASONABLE SUSPICION THAT A STUDENT HAS SUFFERED, IS SUFFERING OR IS AT UNACCEPTABLE RISK OF SUFFERING SIGNIFICANT HARM AND MAY NOT HAVE PARENT AND WILLING TO PROTECT THE STUDENT FROM THE HARM MUST BE MANAGED IN ACCORDANCE WITH THE PROCESSES SET OUT IN SECTION 2.3 OF THIS DOCUMENT.)

REPORTING OF INAPPROPRIATE BEHAVIOUR

The reporting by staff of inappropriate behaviour by another staff member towards a student is a requirement of Catholic Education. This requirement is in accordance with Catholic Education's responsibilities under the provisions of the *Education (Accreditation of Non-State Schools) Regulation 2017*. A staff member may be subject to disciplinary sanction from the employer should he/she fail to act.

This reporting responsibility in this section is in addition to the obligations on all staff to report significant harm to a student or an unacceptable risk of significant harm to a student under Sections 2.6.3 and 2.6.4 of this document if required.

The fact that a complaint or report is not presented formally or in writing is not a valid reason to fail to follow the processes outlined in Sections 2.6.5 and 2.6.6 of this document.

SITUATIONS INVOLVING INAPPROPRIATE BEHAVIOUR BY A STAFF MEMBER

Inappropriate behaviour includes but is not limited to any behaviour, including words, towards a student that is contrary to what is required of staff members under Catholic Education’s Code of Conduct. Such inappropriate behaviour may be of a physical, sexual, emotional or psychological nature. All staff must respond in accordance with the processes detailed in this section if:

- a student, parent or other person makes a complaint in relation to a staff member’s behaviour towards a student that the student, parent or other person considers to be inappropriate;
or
- a staff member observes or overhears inappropriate behaviour by a staff member towards a student.

INAPPROPRIATE BEHAVIOUR - REPORTING RESPONSIBILITIES STAFF MEMBERS

A staff member who:

- reasonably suspects inappropriate behaviour by a staff member towards a student, which does NOT involve sexual abuse or likely sexual abuse
or
- becomes aware of a complaint or report in relation to behaviour by a staff member towards a student that a student (or a student’s parent or another person) considers to be inappropriate, but which does NOT involve sexual abuse or likely sexual abuse,

must report the matter to the Principal or Student Protection Contact and complete a “Reporting of Inappropriate staff behaviour towards a student” and submit it to the Principal.

If the report is about the Principal, the Report must be submitted to the Assistant Director: Schools.

STUDENT PROTECTION CONTACT (SPC)

If a concern is reported to a Student Protection Contact other than the Principal, the Student Protection Contact must submit a Report to the Principal without delay, unless the report of inappropriate behaviour is made against the Principal, in which case the Student Protection Contact must submit the Report to the Assistant Director: Schools.

PRINCIPAL/ ASSISTANT DIRECTOR: SCHOOLS

A Principal/ Assistant Director: Schools who:

- reasonably suspects inappropriate behaviour by a staff member/Principal towards a student, which does NOT involve sexual abuse/likely sexual abuse;
or
- becomes aware of a complaint or report in relation to a staff member’s/Principal’s alleged behaviour towards a student that a student (or a student’s parent) considers to be inappropriate but which does NOT involve sexual abuse/likely sexual abuse,

must take action in relation to the matter and document it in accordance with the following requirements for a staff behaviour intervention process.

In some circumstances a Report will also require a Student Protection Report to the Department of Child Safety, Youth and Women under Sections 2.6.3 and 2.6.4 of these processes (if significant harm has been caused and there may not be a parent able and willing to protect the student from harm). Additionally, if the staff member’s alleged behaviour results in significant physical harm to a student a Student Protection Report to the Queensland Police Service may be required to be made. The Principal or Assistant Director: Schools will be advised by the Student Protection Staff if these actions are required following the submission of the Report request to the Diocesan Director.

INTERVENTION AND REPORTING

Where there are allegations about an employee’s inappropriate behaviour towards a student the Principal (or Assistant Director: Schools where the allegation is against the Principal) will determine as quickly as possible the level of response required and the appropriate procedures to be followed. Allegations can be categorised into either allegations of minor inappropriate behaviour or allegations that are more complex or serious.

SITUATIONS THAT CONSTITUTE MINOR INAPPROPRIATE BEHAVIOUR

Even minor assaults can be criminal offences. The management of these matters will depend on factors like the seriousness and circumstances of the allegation, the wishes of the parties involved, whether the police have become involved, and whether the employee has a previous history of similar conduct. If it is reasonably suspected that harm has been caused the Principal must report such a matter to the police as a Compulsory Report (Section 2.4).

A typical incident covered by minor inappropriate behaviour could include a one-off allegation of inappropriate behaviour by an employee, where no physical injury results and there is no suggestion of sexual misconduct or criminal behaviour. An intervention must not be undertaken if there is an allegation or reasonable suspicion of sexual abuse, likely sexual abuse, harm or likely harm of a student. The appropriate interventions for such situations are covered in Section 2.

Minor incidents relate to allegations that, if substantiated, may constitute a breach of the Code of Conduct and possibly be deemed to be professional misconduct, they are not so serious as to make it likely that the employee would face a formal disciplinary sanction. When allegations relate to repeated or multiple possible minor breaches, they may need to be seen differently as explained in Section 2.6.5 and 2.6.6.

Examples of minor inappropriate behaviour requiring interventions include the following, but are not restricted to:

- using unprofessional language or otherwise inappropriate comments to or in the presence of a student;
- making disrespectful personal comments about a student and/or a student’s family to or in the presence of a student;
- shaming, humiliating or unfairly embarrassing a student;
- pushing or grabbing a student (no injury);
- exposing a student to inappropriate material;
- disclosing inappropriate personal information to a student;
- inappropriate questioning of a student about personal and private matters;
- unreasonable, unfair and/or unjust disciplinary measures;
- unfairly failing to follow a school’s behaviour support policy and procedures;
- the imposition of manifestly unreasonable expectations;
- unfairly exerting power over a student through the use of fear, threats, or unwarranted moral pressure.

SITUATIONS THAT CONSTITUTE MORE COMPLEX OR SERIOUS INAPPROPRIATE BEHAVIOUR

There will be times when there are allegations of repeated, more complex or serious inappropriate behaviour by an employee towards a student. Such behaviour, if substantiated, would constitute professional misconduct and would justify a formal disciplinary sanction against the employee. An intervention must not be undertaken if there is an allegation or reasonable suspicion of sexual abuse or likely sexual abuse of a student, or an allegation or reasonable suspicion of harm or likely harm to a student in the future. The appropriate interventions for such situations are covered in Section 2.

Version Number:	9	Author:	Diocesan Director	Approval Date:	14 December 2020
Date Modified:	NA	Document Owner:	CE (DOR)	Page:	20

Examples of more complex or serious inappropriate behaviour requiring interventions include but are not restricted to:

- repeated behaviour of a kind that that has previously been dealt with by a Principal or Assistant Director: Schools;
- multiple instances of behaviour, reported at or about the same time, of a type that would normally be dealt with by an informal intervention, but which taken together could justify a formal disciplinary sanction;
- inappropriate physical contact causing minor injury;
- harsh verbal (including digitally transmitted) abuse or belittling of students including derogatory language and demeaning names;
- significant or repeated victimisation;
- exposing or subjecting a student to significant threats and/or intimidation;
- exposing a student to material that is significantly offensive or inappropriate to his/her age/maturity;
- verbal (including digitally transmitted) or non-verbal communication that significantly breaches professional boundaries.

SITUATIONS INVOLVING VOLUNTEERS OR EMPLOYEES WHO ARE NOT STAFF MEMBERS OF CATHOLIC EDUCATION

If the person against whom a report of inappropriate behaviour has been made is a volunteer or an employee who is not a staff member of Catholic Education, the Principal will take appropriate steps, with the relevant employer if necessary, to deal with the matter in a manner that is consistent with the procedures outlined in this document as they apply to a staff member of Catholic Education.

All staff members should report any concerns of inappropriate behaviour towards a student by a volunteer or other employees who are not staff members of Catholic Education to the Principal.

INAPPROPRIATE STAFF BEHAVIOUR INTERVENTION PROCESSES ALLEGATIONS OF MINOR INAPPROPRIATE BEHAVIOUR

An inquiry is carried out with the authority of the Principal (or Assistant Director: Schools if the allegation is against the Principal). A documented record of the process and of the outcomes is provided to the Diocesan Director at the end of the intervention process.

Allegations giving rise to an inquiry are generally resolved through informal resolution processes that are managed locally by the Principal and may include such responses as supervisory guidance and correction and in some cases mediation and/or conciliation. If the allegation involves the Principal, the response is co-ordinated by the Assistant Director: Schools.

RESPONSIBILITIES

PRINCIPAL (OR ASSISTANT DIRECTOR: SCHOOLS)

The response to an allegation against an employee will be co-ordinated locally by the school Principal (or Assistant Director: Schools where the allegation is against the Principal). The Principal (or Assistant Director: Schools) will determine how to best address the allegation with the employee and how to initiate any disciplinary consequences that may be determined to be appropriate. This might involve consultation with relevant personnel in the Catholic Education Office (e.g., Assistant Director: Schools, Student Protection Staff).

Version Number:	9	Author:	Diocesan Director	Approval Date:	14 December 2020
Date Modified:	NA	Document Owner:	CE (DOR)	Page:	21

Where an allegation of minor inappropriate behaviour is made against the Principal, the Assistant Director: Schools may request the matter to be carried forward by another Assistant Director: Schools (or delegate). The resolution of all minor incidents remains the responsibility of the Principal (or Assistant Director: Schools where the allegation is against the Principal). The Principal or Assistant Director: Schools will assess the matter so as to formulate a plan to address it with the employee. Management guidance will be provided and appropriate support will be extended to all concerned. Strict confidentiality shall be maintained regarding the matter.

Should an employee deny or contest the allegation of inappropriate behaviour towards a student, the Principal (or, if the matter involves the Principal, the Assistant Director: Schools) must decide whether or not further information - gathering at the school level is required or whether management guidance will suffice. The decision regarding whether and how to gather further information will depend on factors such as the seriousness of the allegation, the attitude of the complainant(s), any record of past allegations of inappropriate behaviour on the part of the respondent and the likelihood of an allegation being able to be substantiated given the circumstances.

If, in the opinion of the Principal/Assistant Director: Schools, a formal investigation is warranted, a report should be provided to the Diocesan Director (see below) in order to obtain authorisation for an investigation. A formal investigation (as opposed to data gathering to allow an assessment of the case to be made) must not be undertaken at the school level without the authorisation of the Diocesan Director.

An employee may admit inappropriate behaviour. The inappropriate behaviour will then be addressed through documented management guidance and/or correction. Conciliation/mediation may be provided if desired by the complainant.

At the completion of the intervention, the employee will be formally advised of the outcome. The parent/caregiver of the student/s concerned is to be advised in writing of the outcome unless there are extraordinary reasons why this should not occur, in which case the reasons should be documented. Any other complainants (including students) are also advised of the outcome.

A report form (Reporting of Inappropriate staff behaviour towards a student) should be completed by the Principal (or Assistant Director: Schools), with any relevant details attached. The report should include, as a minimum, the details and circumstances of the allegation, the action taken by the Principal (or Assistant Director: Schools) to assess and investigate the allegations, and the outcome. The outcome should document the staff member's account of the incident, state whether or not the behaviour alleged has been admitted to by the employee and should contain clear details of the advice/guidance that has been provided to the employee. The outcome should also indicate if the alleged behaviour is judged not to be contrary to the Code of Conduct.

The original report should be kept on a confidential file at school level (or by the Assistant Director: Schools if the allegation concerns the Principal). A copy of the report is forwarded to the Assistant Director: Schools for placing in a confidential file held by the Diocesan Director and another copy must be provided to the employee.

CATHOLIC EDUCATION OFFICE PERSONNEL

The Assistant Director: Schools (or delegate) is responsible for ensuring that reports are checked for completeness, accuracy, and relevance, and whether any previous reports have been received concerning the employee.

Where previous reports have been received concerning the employee, the Assistant Director: Schools will determine what further action, if any, needs to be taken.

Version Number:	9	Author:	Diocesan Director	Approval Date:	14 December 2020
Date Modified:	NA	Document Owner:	CE (DOR)	Page:	22

The Diocesan Director will receive and keep the report in a separate confidential file.

PASTORAL CARE AND SUPPORT

Pastoral care and support will be provided to the complainant, to the employee against whom the allegation has been made, and any others involved. The welfare and best interests of any students involved will be paramount and advice may be sought from Catholic Education’s Student Protection Staff about appropriate support for the student and his/her family.

ALLEGATIONS OF MORE COMPLEX OR SERIOUS INAPPROPRIATE BEHAVIOUR

An inquiry at this level is carried out under the authority of the Diocesan Director or delegate. The matter is formally reported to the Diocesan Director at the commencement and end of the intervention process.

INTERVENTION RESPONSIBILITIES

PRINCIPAL (OR ASSISTANT DIRECTOR: SCHOOLS)

As soon as the Principal (or Assistant Director: Schools) is aware that the allegation is of such a nature as to require an investigation, a report (Reporting of Inappropriate staff behaviour towards a student) must be completed and forwarded to the Diocesan Director without delay.

CATHOLIC EDUCATION OFFICE PERSONNEL

On receipt of an allegation of inappropriate behaviour against an employee, the Diocesan Director (or delegate) will assess the matter and determine how it is to be progressed. The Diocesan Director (or delegate) will consider the details of the allegation and as necessary will clarify it and any issues related to it by consulting with relevant persons such as the Principal, Assistant Director: Schools and/or the Catholic Education’s Student Protection Staff. The Diocesan Director (or delegate) will also consider any previous reports on file of allegations of inappropriate behaviour made against the employee.

The Diocesan Director (or delegate) will take immediate steps to ensure that a risk assessment is carried out to determine if the employee subject to the allegations should continue to be allowed to work in the school. As a result of the risk assessment, the employee may be suspended from his/her duties, or have his/her duties restricted.

If the Diocesan Director forms the view that the matter involves an allegation or reasonable suspicion of sexual abuse or likely sexual abuse of a student or an allegation or reasonable suspicion that harm, likely harm has been or will be caused to a student, the Diocesan Director must immediately make a Mandatory Report. (Section 2.2)

If the Diocesan Director forms the view that the matter should be handled as a lower level investigation, the matter is referred back to the Principal. (Section 2.6.5)

If the Diocesan Director believes that a formal intervention is appropriate, a decision is made as to who should most appropriately conduct an investigation into the allegation. The Diocesan Director may authorise the Principal, a Catholic Education staff member (e.g., Assistant Director: Schools, or Employee Relations staff member), or an external party to conduct the investigation.

The Diocesan Director (or delegate) will inform the parent or carer of the student/s towards whom the inappropriate behaviour is alleged to have occurred in writing that an investigation into the matter has been authorised. The name of a contact person who can provide information about the process being followed will be provided.

Version Number:	9	Author:	Diocesan Director	Approval Date:	14 December 2020
Date Modified:	NA	Document Owner:	CE (DOR)	Page:	23

NOTIFYING THE EMPLOYEE

As soon as the Diocesan Director (or delegate) deems it to be appropriate to inform the employee, a meeting will be held between the employee and the Diocesan Director (or delegate). The employee will be advised that he/she can have a support person at this meeting. At the meeting, the employee will be informed that an allegation of inappropriate behaviour has been made against him/her, will be provided with an outline of the allegation(s), if possible or appropriate, and advised that an investigation into the matter has been authorised. The employee will be reminded that he/she may access the confidential counselling services available to all employees through ACCESS Counselling Services. He/she will also be given the details of a nominated person to contact (normally the relevant Assistant Director: Schools) who will be available to provide information regarding the processes being undertaken and to facilitate the accessing of other support. The information communicated verbally at the meeting will also be provided in writing.

SUSPENDING FROM DUTIES

As the result of a risk assessment it may be decided that the employee should be suspended from his/her duties, or have them restricted. In this case, the employee concerned will be informed of the decision to suspend him/her or restrict his/her duties. The basis for this decision will be provided to the employee in writing following the meeting at which this information has been communicated verbally. The employee will be reminded that they may access the confidential counselling services available to all employees through ACCESS Counselling Services. He/she will also be given the details of a nominated person (normally the relevant Assistant Director: Schools) to contact who will be available to provide information regarding the processes being undertaken and to facilitate the accessing of other support.

The employee will normally continue on full pay during the suspension period unless disqualified or prevented from performing his/her duties by an external body. The Diocesan Director (or delegate) will discuss with the person what statement, if any, will be made to staff concerning his/her absence from school. Any such statement will be subject to restrictions contained in legislation.

PASTORAL CARE AND SUPPORT

Pastoral care and support will be provided to the complainant, to the employee against whom the allegation has been made, and any others involved. The welfare and best interests of any students involved will be paramount and advice should be sought from Catholic Education's Student Protection Staff about appropriate support for the student and his/her family.

INVESTIGATION PROCESS

The investigator shall as soon as possible arrange for a meeting to be held to inform the employee of the specific nature of the allegation(s). Prior to the meeting, the employee will be advised that he/she can have a support person at this meeting. A written record of the meeting and outcomes will be provided to the employee, and he/she will be reminded of the free confidential counselling services available to all employees through ACCESS Counselling Services. In the written record of the meeting the employee the allegation(s) will be listed and the employee will be asked to reply to the allegation(s) within a reasonable time (normally no more than seven days).

The investigator will contact the parent(s) or carer(s) of the student/s against whom the inappropriate behaviour is alleged to have occurred and the following issues will be discussed.

- That an allegation has been made and is being investigated.
- The investigation process.
- The provision of parental/carer permission for student/s to be interviewed.
- Parent/carer views, concerns and support needs.
- Communication process for the parent/carer to be updated re the investigation and other related issues.
- The need for confidentiality.

Version Number:	9	Author:	Diocesan Director	Approval Date:	14 December 2020
Date Modified:	NA	Document Owner:	CE (DOR)	Page:	24

If the investigator determines that it is desirable for other students (e.g., students named as witnesses) to be interviewed, the above guidelines relating to parents/carers will be followed in relation to them also. Pastoral care and support will be provided to the complainant, to the employee against whom the allegation has been made, and any others involved. The welfare and best interests of any students involved will be paramount.

In conducting the investigation, the investigator shall ensure that appropriate confidentiality is maintained.

Should the investigator during the course of the investigation form the view that that the matter involves an allegation or reasonable suspicion of sexual abuse or likely sexual abuse of a student or an allegation or reasonable suspicion that harm has been caused to a student, then, if the investigator is:

- an employee of Catholic Education, he/she must immediately make the appropriate Mandatory report. (Section 2.2)
- not an employee of Catholic Education, he/she must immediately make a written report to the Diocesan Director (or delegate) who will then immediately complete the appropriate Mandatory report. (Section 2.2)

At the conclusion of the investigation, a written report, outlining the process of investigation, the evidence gathered, and the conclusions reached will be provided to the Diocesan Director by the investigator. The report will indicate whether, in the investigator's opinion, the allegation(s) are substantiated on the balance of probabilities and whether the Catholic Education's Code of Conduct has been breached.

The Diocesan Director will receive and keep the investigation report in a confidential file.

The Diocesan Director (or delegate) is responsible for informing the Principal and relevant Assistant Director: Schools and Student Protection Staff of the outcome of the investigation. The Diocesan Director (or delegate) advises the parent/caregiver of the student concerned of the outcome unless there are extraordinary reasons why this should not occur, in which case the reasons should be documented. Any other complainants (including students) are also advised of the outcome.

DETERMINATION OF PROFESSIONAL MISCONDUCT

If, following the presentation of the investigation report, the Diocesan Director (or delegate) has determined that allegations of inappropriate behaviour are substantiated and that they constitute professional misconduct, the Diocesan Director (or delegate) will communicate this in writing to the employee and advise the Principal accordingly.

If the Diocesan Director is not considering terminating the employee's employment, the employee will receive a letter stating the seriousness of the misconduct and containing a warning that further substantiated misconduct may lead to termination of the employee's services.

If, on the evidence, the Diocesan Director is considering the termination of the employee's services then the Diocesan Director will provide the employee with a timeframe within which the employee is given the opportunity to show cause as to why his/her employment should not be terminated. The Diocesan Director will consider any submission that the employee chooses to make in response within the timeframe given. Following receipt of the submission from the employee, the Diocesan Director will make a decision in relation to the employee's employment status and will communicate this in writing to the employee.

Version Number:	9	Author:	Diocesan Director	Approval Date:	14 December 2020
Date Modified:	NA	Document Owner:	CE (DOR)	Page:	25

If an employee whose employment is terminated by the Diocesan Director is a teacher, and the circumstances of the dismissal, in the opinion of the Diocesan Director, call into question the teacher's competency to be employed as a teacher, the Diocesan Director must give notice of the dismissal to the Queensland College of Teachers within a period of 14 days of the dismissal (Education [Queensland College of Teachers] Act 2005 s.78).

NO DETERMINATION OF PROFESSIONAL MISCONDUCT

If, following the presentation of the investigation report, the Diocesan Director (or delegate) has determined that the allegations of inappropriate behaviour are not substantiated and therefore no professional misconduct substantiated, the Diocesan Director (or delegate) will communicate this in writing to the employee and advise the Principal accordingly.

FINALISATION

The Diocesan Director (or delegate) will advise the parent/caregiver of the student concerned of the outcome unless there are extraordinary reasons why this should not occur, in which case the reasons should be documented. Any other complainants (including students) are also advised of the outcome.

Pastoral care and support will be provided to the complainant, to the employee against whom the allegation has been made, and any others involved. The welfare and best interests of any students involved will be paramount.

If the employee continues to work at the school, the Principal will support the pastoral care of the employee, and the employee will be reminded of the confidential counselling services available to all employees through ACCESS Counselling Services. Reasonable steps will be taken by the Principal to manage risks and to provide appropriate ongoing supervision of and support for the employee.

If the employee has been suspended during the investigation and returns to work at the school, all reasonable steps will be taken by the Principal to assist the employee to reintegrate into the school community.

2.6.6 Allegations of inappropriate behaviour against a Principal

A staff member may form a reasonable suspicion that a Principal has behaved inappropriately towards a student. In these circumstances, follow process detailed in Section 2.6.5.

3. After the report is made

Once a report is made under these processes, consideration must be given to any ongoing or resulting action that is required. This includes:

- Follow up by the Principal with Queensland Police Service and/or the Department of Child Safety, Youth and Women to confirm both receipt of the report, and any action that these agencies may take;
- Implementing any risk management and pastoral [support processes](#) to address the safety and well-being of students, particularly in relation to allegations of sexual abuse between students, and maintain as far as possible, supportive relationships with parents, carers and families;
- Ensure that all parties involved respect the [confidentiality](#) and privacy of students and families involved; and
- Where relevant, make any preparation for the interview of a student by Queensland Police Service and/or the Department of Child Safety, Youth and Women at school – see the [QCEC guideline](#) and sample record of interview form.

4. Advising parents

When a student protection report to the Queensland Police Service and/or the Department of Child Safety, Youth and Women is required, it is important that parents are not contacted before the student protection report is made.

If a student protection report submitted to Queensland Police Service and/or the Department of Child Safety, Youth and Women relates to suspected abuse or neglect by a member of the student's family, the Principal will only inform the parent(s) or carer(s) of the student protection concern once confirmed as appropriate with the Queensland Police Service or the Department of Child Safety, Youth and Women. This is to ensure that any potential child protection or criminal investigation is not compromised.

In order to assist at the school level in the management of any situation and to ensure the immediate safety of any students involved, the school should request from the Queensland Police Service and/or Department of Child Safety, Youth and Women feedback on the possible timing of their intervention and obtain some guidance about when the school may discuss the matter with the student's parent(s) or carer(s). This is particularly significant in cases of student to student sexual behaviour where it is important for the student's well-being to enable the parent to support the student and take steps to protect them.

Education (Accreditation of Non-State Schools) Act 2017 and Education (Accreditation of Non-State Schools) Regulation 2017

The *Education (Accreditation of Non-State Schools) Act 2017* establishes an accreditation regime for the accreditation of non-state schools. The Act also establishes the penalties for non-compliance with the accreditation criteria.

The *Education (Accreditation of Non-State Schools) Regulation 2017* prescribes the accreditation criteria relevant for a non-state school’s accreditation as mentioned in section 11 of the Act. Sections 16(1) to 16(7) of the Regulation deal with the accreditation requirements relating to the conduct of staff and students and response to harm.

Education (General Provisions) Act 2006 and Education (General Provisions) Regulation 2017

The *Education (General Provisions) Act 2006* contains mandatory reporting requirements for all non-state school staff who become aware of or who reasonably suspect that a student has been sexually abused or is likely to be sexually abused by another person (sections 366 and 366A).

These requirements are designed to capture sexual abuse, suspected sexual abuse and likely sexual abuse of students by another person. A staff member or Principal who fails to comply with the mandatory reporting requirements in relation to the sexual abuse or suspected sexual abuse of a student commits an offence under section 366 of the *Education (General Provisions) Act 2006* and is liable for a penalty of up to 20 penalty units. However, a person does not commit an offence for failing to report the likely sexual abuse of a student under section 366A of the *Education (General Provisions) Act 2006*.

Staff making a report pursuant to the *Education (General Provisions) Act 2006* will be protected from civil or criminal liability e.g. from defamation or breach of confidence. However, staff making a knowingly false, malicious or vexatious report will not be protected by this immunity and may risk action for defamation, disciplinary action by their employer or disciplinary action by the Queensland College of Teachers.

Criminal Code Act 1899

Section 229BC of *Criminal Code Act 1899* establishes a general requirement that applies to all adults (18 years or over) in Queensland to report to the Queensland Police Service any information that causes the adult to believe on reasonable grounds, or ought reasonably to cause the adult to believe, that a child sexual offence is being or has been committed against a child by another adult.

At the relevant time of the offending behaviour, the child victim must be under 16 years of age or a person with an impairment of the mind. A ‘child sexual offence’ means an offence of a sexual nature [whether or not it meets the definition of sexual abuse under the *Education (General Provisions) Act 2006*] committed in relation to a child, including for example, an offence against a provision of chapter 22 and 32 of the *Criminal Code Act 1899*.

Failure to make a report, without a reasonable excuse, is a criminal offence. A reasonable excuse not to make a report under the *Criminal Code Act 1899*, includes that a report has already been made under:

- a) the *Education (General Provisions) Act 2006* (reporting sexual abuse or likely sexual abuse)
- b) the *Child Protection Act 1999* (reporting significant harm or risk of significant harm).

Flowchart 3: Reporting Significant Harm to Department of Child Safety, Youth and Women (not sexual abuse / likely sexual abuse)

Important notice

If there is reasonable suspicion that the student has been sexually abused or is likely to be sexually abused by another person, then the processes as outlined in flowchart 1 must be followed, or flowchart 2 if the first person is the Principal

Mandatory Responsibilities for Teachers

If the staff member is a teacher, and the reasonable suspicion is that the student has suffered, is suffering or is an unacceptable risk of significant harm caused by physical or sexual abuse and may not have a parent able and willing to protect the student from the harm (a reasonable suspicion under section 13E of the Child Protection Act 1999), the teacher is responsible, as a matter of urgency, to ensure that the report has been submitted to the Department of Child Safety, Youth and Women, unless they become aware, or reasonably suppose, that the matter has already been brought to the attention of the authorities.

If a teacher forms a reasonable suspicion and is not able to progress a report through the process detailed in the flowchart above, they are able to meet their mandatory reporting obligation through reporting directly to Child Safety Services via the online reporting form.

IMPORTANT INFORMATION

Although staff members are required to follow the Student Protection Processes laid down by Catholic Education (Diocese of Rockhampton), this does not limit the freedom of any person to take immediate action to notify police of any complaint or concern about the safety of a student, particularly if he/she believes that it is essential to ensure a student's safety.
